

## "Counterfeit"

Flobber Fairy, you know we've figured you out  
Freakin' me out, you wear a mask called counterfeit  
You're freakin' me out, you wear a mask  
Freakin' me out, you wear a mask called counterfeit  
You're freakin' me out, you wear a mask  
Freakin' me out, you wear a mask called counterfeit  
You're freakin' me out, you wear a mask  
Freakin' me out, you wear a mask called counterfeit  
You're freakin' me out, you wear a mask  
Freakin' me out, you wear a mask called counterfeit  
You're freakin' me out, you wear a mask  
Freakin' me out, you wear a mask called counterfeit  
You're freakin' me out, you wear a fake

Hey man, wake up and smell the concrete  
Strange to see you've changed, like the LB  
Could be identity crisis, but I can't buy this  
Reality bites but that's what life is  
Pitiful you, your hideous behavior  
Hate what God gave ya, fakin' all the flavor  
Artificial minds seekin' out the new trends  
Get in where you fit in  
Quit thinkin' like a has-been diggin' in my culture  
I'ma let me let your punks know I'm an old school soldier  
With the funk flow, a damn shame wanna change yourself  
Because you're sick of yourself  
  
Well I'm sick of you too, fake!

You're a counterfeit, fake!  
You know we figured you out  
Well I'm sick of you too, fake!  
You're a counterfeit, fake!

I wonder, I wonder, I wonder what it's like to be a clone  
Doin' nothin', nothin' on my own  
Alone in your misery, you're bitin' on my new style  
Filed as a counterfeit goin' down in history as nothin' but a copy cat  
So if you're fakin' that, you're phat and need a ballbat  
Right where your head is at  
All your desperation causes separation  
Now I grab the mic to intimidate  
Your weakness screams from the limp on your siren  
Phonies get the hint quick smacked with the funk-flick  
Pain for the fakers fame can't maintain  
Because you're sick of yourself

Well I'm sick of you too, fake!  
You're a counterfeit, fake!  
You know we figured you out  
Well I'm sick of you too, fake!  
You're a counterfeit, fake!  
All these phonies

You disregarded your life  
You disrespected your friends  
You've even stolen your appearance  
From hangin' around with my family  
But I should have never dropped my guard

So you could stab me in the back  
But you were freakin' me out  
Just freakin' me out, you wear a mask

Freakin' me out, you wear a mask called counterfeit  
You're freakin' me out, you wear a mask called counterfeit  
Freakin' me out, you wear a mask called counterfeit  
You're freakin' me out, you wear a mask called counterfeit  
Freakin' me out, you wear a mask called counterfeit  
Freakin' me out, you wear a mask called counterfeit  
Freakin' me out, you wear a mask called counterfeit  
Freakin' me out, you wear a mask called counterfeit

Now you're steadily startin' to change  
You wanna re-arrange your lifestyle, live like the wild child  
With the vibe alive you could lie to try and be so fly  
A lie but you deny you're a fake!

You're a phony, you know we figured you out, fake!  
You know we figured you out, figured you out, figured you out!  
Fake! Fake! Fake!  
Fake! Fake! Fake!  
Fake!
