

## "My Way"

Check, check, check, check, check, che-eck, check, check

Check, check, check out my melody

Check, check, che-eck, check, check, check, check

Check, check, check out my melody

Che-eck, check, check, check, check, check, check, check

Check, check out my melody

Special (check my melody, my melody)

You think you're special, you do

I can see it in your eyes, I can see it when you laugh at me

Look down on me and walk around on me

Just one more fight about your leadership

And I will straight up leave your shit

'Cause I've had enough of this

And now I'm pissed, yeah!

This time I'ma let it all come out

This time I'ma stand up and shout

I'ma do things my way, it's my way

My way or the highway

This time I'ma let it all come out

This time I'ma stand up and shout

I'ma do things my way, it's my way

My way or the highway

Check out, check, check out, check, check, check

Check out my melody

Check out, check out, check, check

Check out my melody

Check, check check, check check, -check check, check check

Check out my melody

Check, check out, check, check out, check, check out, check, check

Check out out my melody

Just one more fight about a lot of things

And I will give up everything

To be on my own again

Free again, yeah!

This time I'ma let it all come out

This time I'ma stand up and shout

I'ma do things my way, it's my way

My way or the highway

This time I'ma let it all come out

This time I'ma stand up and shout

I'ma do things my way, it's my way

My way or the highway

Someday you'll see things my way

'Cause you never know, no, you never know

When you're gonna go

Someday you'll see things my way

'Cause you never know, no, you never know

When you're gonna go

Check, check out, check, check out my melody

Check out, check, check out, check, check out, check, check, check

Check out my melody

Check, check, check my melody, check, check out my melody

Just one more fight and I'll be history

Yes, I will straight up leave your shit

And you'll be the one who's left

Missing me, yeah!

This time I'ma let it all come out

This time I'ma stand up and shout

I'ma do things my way, it's my way

My way or the highway

This time I'ma let it all come out

This time I'ma stand up and shout

I'ma do things my way, it's my way

My way or the highway

Someday you'll see things my way

'Cause you never know, no, you never know

When you're gonna go

Someday you'll see things my way

'Cause you never know, no, you never know

Check out, check, check out, check, check out, check, check out

Check, check out, check, check out, check, check out melody

Check out, check, check out, check out, check, check out

Check out, check, check out, check out, check out

Check out, check, check out, check out, check out

Check out, check, check out, check out, check out my melody
